INSTRUCTIONS FOR DTC TRANSFER

The easiest way to make a gift of securities to UTEP is to electronically transfer them to **the Board of Regents of The University of Texas System**. For Free Delivery through DTC to the Regents' account at Merrill Lynch, please use the following instructions:

DTC #5198

Credit: Account #51D04053

Board of Regents of The University of Texas System

ATTN: Carol Jansen (512) 795-2190

So that Merrill Lynch can be alerted to accept delivery of the securities, please call (or have your broker call) Charlotte Hambrick at (512) 499-4346 prior to the transfer. She will need to know the name(s) of the securities and the number of shares being transferred.

Thank you very much for supporting academic excellence through UTEP! If you have any questions or comments, please do not hesitate to call Audrey Price, Assistant Vice President for Development at (915) 747-8533.
