Dear Golden Grad,

Congratulations! It has been a wonderful 50 years since you graduated from The University of Texas at El Paso and we can't wait for the opportunity to celebrate your milestone anniversary during our 2020/2021 Golden Grads Reunion this fall!

This year's celebration will feel a little different. For many, it will be the first time to gather in a group after living through one of the most life-altering events in recent history – the COVID-19 Pandemic. While we are not 100 percent out of the woods, we feel confident in hosting in-person events to celebrate our Golden Alumni.

This year, the festivities will be twice the fun, as we will be celebrating two classes: the Class of 1970 and the Class of 1971. Since we could not have our Golden Grads Reunion in 2020, we are inviting our fellow 1970 Miners to join us for a combined reunion during our 2021 Homecoming Week celebrations.

Homecoming will be the perfect occasion for you to return to UTEP and revisit your college years. We know you'll be thrilled to see how much UTEP has grown on all fronts – from campus facilities and academic programs to research and scholarly activity. We can't wait to welcome you back.

Golden Grad Reunion festivities will begin on Thursday, September 30 until Saturday, October 2. While we are finalizing details, consider becoming a volunteer of the Reunion Host Committee to enhance your Golden Grad experience.

We look forward to celebrating Homecoming with you!

Best,
